

CLINIC LOCATIONS

Find your Clinic below and then check prices

Please either use the contact form or leave a message on 0207 467 8341 and I will come back to you to discuss the service you are interested in.

London Clinics:

- 10 Harley Street:
 - Cognitive Health / Bredesen protocol
 - Functional Medicine
 - Nutrition and Complex Homeopathy
- South Molton Street:
 - Wellness eg NESHealth BioenergetiX testing
 - Dietary Programmes eg ProLon, Metabolic Balance

Kent Clinics:

- Contact me for Locations - All services available

Remote / Global clients – TeleMedicine

- Clinic Services can be provided by phone, Facetime or Skype dependent on location and service required. All global areas covered incl USA.
- NES Health scans can be arranged without coming in to a clinic if preferred (remote testing)
- Blood tests – can be arranged direct with the Lab for most tests

Adhoc:

- Adhoc help with prescriptions, test results or implementing programmes is available through a scheduled 15 minute phone call
- Repeat Prescriptions (where part of a treatment course) can usually be arranged for you direct with the supplier without a need to come back into Clinic other than for scheduled followup appointments

Wellness programmes and Retreats:

- These are often run in partnership with other providers in the UK and globally at their sites and advertised on the website when spaces are available
