

NES Health

The NES System has three ways to interface with the Bodyfield:

- Bodyfield Scan (see an example of some of the screens further below)
- NES miHealth (handheld PEMF device – pulsed electromagnetic field)
- BioEnergetix Infoceuticals (vibrational energy in a water solution)

How is your bodyfield aligning right now with the world around you?

Big Field Aligner:

Big Field Aligner

Polarity:

	Will Power	<input type="text"/>
	Trustfulness	<input type="text"/>

SYSTEMS ENERGY – BODYFIELD SCANS

Giving you a more indepth view of the energy for the organs and functional systems

And finally, having completed the scan, you rejuvenate and rebalance, with the NES miHealth and BioEnergetix informational remedies
